Beverly Prince, Regional Director, explains the program of a Utah Federation of Drug Free Yough and asks for volunteers to help organize and run a local

chapter. Photo by Karl Peterson, Wave Photographer.

Officers for 1985

On January 12, 1985, the Wasatch Homemakers met at the Middle School for the installation of officers for 1985. Mitzie McPhie, Past President was in charge of the installation. The

club is looking forward to a great year of important meetings and our annual service project.

Our guest speaker spoke on the United States Tax System. Many helpful ideas were shared

concerning filling out the tax information for 1985.

A light refreshment was served and ideas for the coming State Convention were discussed.

Wave 14 Feb 1985

These items were confiscated by local law enforcement agencies. The drug problem in Wasatch County is growing at a fast pace, and County Sheriff Mike Spanos says that his office is busy all hours of the day with concerns over drugs.

Town Meeting on Drug Abuse Held

Heber City-(KDP) Drugs are here in Heber! This fact was made abundantly clear at an informational town meeting on drug abuse held Feb. 6. Sponsored by the Utah Federation and the Wasatch Alcohol and Drug Abuse Center, the meeting featured speakers from the state level and local law enforcement officials.

While the problem is not yet serious, some facts given by Deputy Sheriff Lance Garnder and Sheriff Mike Spanos do give some cause for concern. Example: There are at least 20 students in Wasatch Co. schools

who are confirmed drug users; cocaine is being sold for \$30 per dose in Heber, marijuana is \$45 per 1/2 oz., and amphetamines are 40 cents each.

According to Sheriff Spanos there have been five arrests for drug distribution and 11 for

possession within the past two months. With only six officers and 1300 square miles to patrol, Spanos stated that he must have the help of parents if drug use is to be contained.

Coral Mangus, Prevention Specialist for the Utah Federation, said there are many

programs available to help both users and involved parents. She was seconded by Regional Director Beverly Prince who expressed her feelings on the necessity of forming a local chapter to help combat the drug problem here.

Since the meeting was sparsely attended Mrs. Prince asked that nominations for chapter officers and volunteers be given to her so they can be voted on at a future date. She can be reached at 654-0437. Further information can be had from Ms. Mangus at 654-3003.
